

WE'RE FAMOUSLY **FAST**, AND WE DELIVER

# **CUSTOM DOORS** **AND FRAMES RIGHT** **OFF THE BAT**

With the industry's fastest turnaround times, Karpen Steel creates highly customized doors and frames in 10 days or less. Our versatility, dependability and focus on craftsmanship – plus the teamwork that makes it all possible – has put us at the forefront of the hollow metal goods market. We provide quality products when you need them, with our entire team standing behind everything it produces.

See our website for product details, and contact us for a quote.
